Skills

Python [Basic] · Java [Basic] · HTML [Basic] · Latex [Beginner] · GitHub [Beginner] · MS Excel [Intermediate] · MS Powerpoint [Intermediate] · MS Word [Advanced] · Mathematical Problem Solving · Data Analysis [Basic] · Canva [Pro] · Photoshop [Intermediate] · Capcut [Pro]

Education

· Scottish Church College, BS in Physics (CS) (Jul '26 - Jul '30)

Currently started as an undergraduate Physics student with minors in Computer Science and Mathematics. Classes are yet to start.

· Mary Immaculate School [High School] | ISC – 93.75% (Apr '24 – Apr '26)

Studied 10+2 with subjects – English, Physics, Chemistry, Mathematics, Biology. Participated in Inter-School Science Exhibition. Came first in Inter-School Quiz Competition in two different occasions. Co-Hosted Intra-School Quiz Competition and Annual Rectors and Parents Day.

· Don Bosco School (Secondary School) | ICSE – 94% (Apr '15 – Apr '24)

Served as the 'School Prefect' in the session year 2023-2024. Conducted Invigilatory measures during assembly hours, special events, worked as the bridge between students and Principal.

Experiences

- Participated in a 4 Weeks Intensive Workshop on 'Make Your own Pet Robot' organised by Newton School of Technology. Worked on creating 3D Models for the robot in the first week, and organising its head with its circuit planning in the proceeding week. Later, worked on programming the functions for the robot under the guidance of sophisticated mentors from the industry.
